BESPOKE CHILDCARE AND FAMILY EVENTS

SOCK SORTING

Activity

- Prepare a selection of 10-12 pairs of socks; big, small, plain, patterned
- Unfurl the socks and place in a basket
- Invite your child to help sort the socks

The Learning

- Developing early maths skill of sorting and matching colour and size
- Developing the concept of two
- Mathematical languge such as same, different, one more
- Comparing lengths of socks, longer, shorter

Supporting learning and language

- 'I have a blue sock; can you find one too?'.
- 'Can you find me a longer sock to match?'.
- 'We have made a pair'
